- B. OCC shall pay Contractor a Certification Payment, each fiscal year, of \$250 per case in which Client is a parent, \$400 per case in which Client is a child.
- C. Contractor shall bill certified matters quarterly on the form prescribed by OCC. The bill must be supported by documentation of the billable hours performed during that quarter on each matter.
- D. The Certification Payment shall cover all of Contractor's services in the matter for that fiscal year unless the Court orders a redetermination of dependency ("Redetermination") in the matter. In the event of a Redetermination, Contractor shall be paid as if the matter was a new assignment, less any Certification Payment that was paid to Contractor in the matter for that fiscal year.

5. EXTRAORDINARY CASES

Contractor may petition the Contract Administrator for additional compensation for any assignment that requires Contractor to expend an extraordinary amount of time, such as a supplemental filing regarding a new child in a certified case. The Contract Administrator may postpone a determination as to the extraordinary nature of the case or the amount of additional compensation until after the Contractor has completed the matter. Additional compensation must be negotiated between the Contract Administrator and the Contractor based on the facts of the individual case and Contractor's compensation under the entire contract, using criteria for reasonableness of compensation as provided in Section I, General Provisions, paragraph 19, of the Contract. If a dependency case has already been certified, and a contested hearing or visitation takes place, then payment will be made according to the following schedule:

A.	GAL/Atty Appointment for Guardianship for Parent(s)	\$700.00
B.	GAL/Atty Appointment for Guardianship for 1-4 Children	\$550.00
C.	GAL/Atty Appointment for Guardianship for 5+ Children	\$1100.00

6. CLAIMS FOR PAYMENT

- A. Contractor must submit an original Invoice in Support of Request for Warrant on the form prescribed by the County for payments other than the base rate under this contract. Invoices submitted more than six (6) months after the date of the appointment must be submitted to County Attorney's Office, Division of County Counsel as a claim against Maricopa County.
- B. If OCC disallows a portion of any claim, the claim shall be processed for the reduced amount. If the Contractor protests the amount or the reason for a disallowance, the protest shall be construed as a dispute concerning a question of fact within the meaning of the Disputes clause of the General Provisions section of this Contract.

7. TAXES AND BENEFITS

Contractor assumes sole and exclusive responsibility for payment of any federal and state income taxes, federal social security taxes, unemployment insurance benefits, workman's compensation and other mandatory governmental obligations, if any, and any pension or retirement program. Contractor agrees to indemnify and hold the County harmless for any and all liability which the County may incur because of Contractor's failure to pay such taxes or obligations, including any liability for any such taxes or obligations.
